OUR ENVIRONMENTAL POLICY

The environmental policy we hereby declare covers all activities that directly or indirectly affect the management, power generation, and maintenance processes at Galata Wind Enerji A.Ş and its plants.

- ✚ To protect the environment,
- ✚ To prevent pollution at its source and to mitigate the impacts of our activities on the environment,
- ✚ To be committed in investing in domestic, renewable and clean energy,
- ✚ To set objectives for regularly measuring our impact on climate (greenhouse gas emissions),
- ✚ To engage in activities to reduce our emissions in line with our commitments,
- ✚ To undertake to share the obtained results of our climate mitigation activities with our stakeholders,
- ✚ To provide the necessary human and technology resources to reduce our environmental impact,
- ✚ To minimize waste,
- ✚ To identify and mitigate risks for environmental emergencies,
- ✚ To improve our employees by providing awareness-raising trainings on environmental awareness,
- ✚ To meet the requirements of the relevant environmental legislations,
- ✚ To work continuously towards improving our environmental management systems.

Our Chairman of the Board of Directors has the direct responsibility and oversight of our environmental policy which covers issues related to our climate change management efforts.
